

Mike's Automotive Maintenance Receives Best of Marysville Award! 2013 & 2015

Marysville Award Program Honors the Achievement

MARYSVILLE December 12, 2013 -- Mike's Automotive Maintenance has been selected for the Best of Marysville Award in the General Automobile Repair category by the Marysville Award Program.

Each year, the Marysville Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Marysville area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The Marysville Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Marysville Award Program and data provided by third parties.
